

LEADERSHIP 101

Our one day course is designed for leaders who need up-skilling in the fundamentals of leadership practice. Whether you are in an operational, administrative or technical role, the course is suitable for anyone in a frontline leadership position.

The course content covers:

- The relationship between strategy and your responsibilities
- Values and leading by example
- Building team unity
- Dealing with constant change
- Responsibility for developing others
- Monitoring behaviour and performance
- The importance of a compliance focus
- Adopting a continuous improvement mindset

The Investment

LEADERSHIP
101

The cost is \$350.00 + GST per person inclusive of lunch and tea breaks. Courses are held at conference venues based on the locality of participants. Our Leadership 101 course can also be held in-house at workplaces for a discounted rate.
