

# VALUES BASED LEADERSHIP

Organisational culture is influenced by leaders and their ability to integrate company values into everyday practices and decision making. Our one day Values Based Leadership (VBL) course is designed to give managers an overview of VBL to enhance their skill set and provide them with guidance on how to implement a programme in the workplace.

The course content covers:

- An introduction to Values Based Leadership
- Values and the strategic plan
- Driving VBL from the top
- Management and values alignment
- Integrating values into HR practices
- Promoting values across the organisation
- Making it happen and reviewing progress

## The Investment

The cost is \$350.00 + GST per person inclusive of lunch and tea breaks. Courses are held at conference venues based on the locality of participants. Our Values Based Leadership course can also be held in-house at workplaces for a discounted rate.
